Subject: FFA Cotton Judging Practice

The time is approaching for the annual Texas FFA Cotton Judging contest. The Cotton and Tobacco Program has four offices in Texas that are open for teachers to bring their team for practice.

There has been a change in the protocol for visiting one of the offices:

1. Contact the office to schedule a time to bring your team.
2. Email a list of everyone that will come into the building, including the teacher, at least one day in advance. Please use the chart below for the correct email address.
3. If there are international students, they must bring their passports.

Should you have any questions please feel free to contact us at the numbers below. We look forward to seeing your team!
