Discussion Summary:	**Committee Purpose:** Examine the current delegate allocation system to ensure fair and equitable representation of Texas FFA members. Review and analyze three proposed allocation models, identifying strengths, limitations, and potential impacts. Engage in discussion to determine if one of the existing models should be pursued, or if modifications or an alternative approach would better reflect membership trends and organizational growth.
Outcomes/Action Steps:	**Areas of Exploration:** *1.* How can we balance fair chapter representation with the need to improve delegate engagement and manage convention logistics? 2. Which of the proposed delegate allocation models best supports meaningful student voice while keeping the system practical scalable as membership grows? 3. What concerns, suggestions, or additional ideas should be shared with state staff and the board of directors as we consider a constitutional change to the delegate structure?
Final Recommendations:	**Committee Resolutions:** - Whereas there is a need for remodeling the current Texas FFA delegate system - Whereas the committee values the perspectives across Texas FFA, including Area Officers, advisors, and the Board of Directors; and **Recommendations:** - Therefore, be it resolved the Texas FFA Association invest time in exploring the Statewide Cap with Proportional Distributions where the state would establish a fixed number of total delegates to be equitably distributed by percentage across all chapters based on membership with each chapter guaranteed minimum of one delegate; and - Be it resolved that the Texas FFA Board of Directors open to public hearings on behalf of delegate re-allocation; and - Be it finally resolved that the following individuals be

	recommended to serve on the Texas FFA Task Force on Delegate Re-allocation to represent Area Officers and ensure student voice is integrated into the decision-making process: - Trevor Powell, Area I - Reed Gil, Area II - Laynie Hatchett, Area III - Eric Rehwaldt, Area IV - Kadence Steele, Area V - Colton Grayson, Area VI - Campbell Baron, Area VII - Wyatt Daniels, Area VIII - Cooper LeBlanc, Area IX - Hayden Ayala, Area X - Phalin Muniz, Area XI - Fernando Alvarez, Area XII - Cody Gonzales, Area III - Brennan Baker, Area V
